Delivery + Pick-up

For your home or office event, our fresh, hot crepes can be picked up in our Brookline cafe or delivered right to your door! Crepes are cut in half and plattered, making it easy for people to try one or two (or more!) of their favorite crepe recipes.

Have a larger delivery order and need a little help setting up? We can do that too!

Delivery and pick-up orders are priced à la carte, as shown below. Refer to the last page of this catering menu for order minimums and additional billing details.

crepes at your event

Live Stations

A live crepe station is a fantastic way to bring a fun and interactive element to your corporate, school, or social event. Most of our crepe recipes are available for live stations and your menu can be customized to suit allergies, different tastes, and specific circumstances. Read the details below to find out more about bringing a live crepe station to your next event!

All live crepe station pricing includes the following:

Food preparation, set-up, and break-down time • Crepe Chef(s) • Disposable products • Linen for the crepe station • 2-hours of unlimited crepe service • Customized crepe menu displayed at the station

The following are NOT included in pricing, but can be added for an additional charge:

Crepe service over 2 hours • Table rentals • Staff for general event set-up and maintenance

What we need to bring a live crepe station to your event:

A convenient place to unload • Reserved parking for our vehicle • A dedicated table or clear surface of appropriate size • One or more dedicated electrical outlets nearby • Cover/shade for outdoor events

Large-Scale Events + Festivals

Paris Creperie is available for live crepe stations at large-scale events such as campus-wide festivals and graduation celebrations, corporate outings, and more!

Email events@pariscreperie.com for more information and pricing

Menus are priced per person based on the number and combination of recipes offered during the event.

Menu prices are subject to change due to product availability and cost fluctuations.
